**FAUSOL expands sales activities to Finland**

We are proud to announce that we now cover Finland also, by virtue of a partnership-agreement with HORTEX of Finland.

HORTEX will take care of sales and distribution of FAUSOL'S products to garden centres and store-chains in Finland. In future, Finnish customers will have the benefit of selling FAUSOL's assortment of HORNUM®, PRIMA®, BONUS® and CARE BIRD® products.

HORTEX is relatively new in Finland. In the space of only five years, it has become very well-known, and is currently manned by 5 employees, all of whom have been in the gardening branch for many years.

HORTEX has a wide distribution of fencing requisites to retail customers and to chain stores. With the addition of FAUSOL's products, HORTEX and FAUSOL will mutually benefit from this new partnership.
